Thu, 29 Nov 2018 23:48:00 GMT journey of an art quilter pdf - Quilting is the process of sewing two or more layers of fabric together to make a thicker padded material, usually to create a quilt or quilted garment. Typically, quilting is done with three layers: the top fabric or quilt top, batting or insulating material and backing material, but many different styles are adopted. The process of quilting uses a needle and thread to join two or more layers ... Of all the Singer straight stitch sewing machines, this model is my favorite. It is a straight stitch only, slant shaft sewing machine, and the it was the "lower end economy model" of the 400 series when the Singer 401 was the "top of the line", and the Singer 403 was the mid-range model. Each of these models have the same size, gear driven motors.
